Announcement: Thanks to the Grievance Committee Members	<p>1 October 2011 - On behalf of the Advisory Board, I would like to take the time to thank all of the outgoing Grievance Committee members for their service to the Project. The GC is one of the most stressful jobs in our Project, in addition to being one of the most important. To those whose service has ended, you have our deepest gratitude for a job well done. To John and Jo, who are remaining on the committee, thanks to you both for your past service and for being willing to stay on for another term.</p> <p>Sherry Bradley National Coordinator</p>
Proposed Agenda Item	<p>1 October 2011 - For future consideration/discussion. What is the possibility of exploring the idea of running a contest or asking for submissions for a logo that people can use on their none GenWeb Project</p>

	<p>sites to show their support of us? I personally think that a logo, separate from the official USGenWeb logos that can only be used on official sites, could be a perfect way for people to link to and show their support for us,</p> <p>and still be easily identified as not being officially members.</p> <p>Pauli Smith</p> <p>-- The suggestion has been added to the agenda.</p> <p>Sherri Bradley</p>
