Announcement:
Thank You from Sherri Bradley

31 August 2013
As the clock rolls over tonight, I'd like to express my appreciation to each and every one of the AB members that I've served with during my tenure as National Coordinator of the USGenWeb Project. Thinking back, we've had some good times and some bad, but I can honestly say that at the end of the day,
we've always done what we considered in the best interest of the Project.
Some will agree with me and some won't. Some will argue with anything I'd say at this point, but I'm proud of what we've accomplished.

I've enjoyed serving as your National Coordinator and value the friendships that I've made. I say "Thank you" to the entire Project all for your support during my tenure as NC.

To the AB members for the 2013/2014 term, know that you're in my thoughts and prayers as the year begins. I know you'll do us proud!
Sherri Bradley
National Coordinator

For the record, as I close out my duties, I've transferred the following to Tina as the incoming National Coordinator:
Mail list administrator rights to the BOARD, BOARD-EXEC, USGENWEB-ALL and STATE-COORD mail lists
Domains: usgenweb.org, usgenweb.com, usgenweb.net, usgwelections.org, theusgenweb.org
