Rootswen Mailing Lists information

The below email was received today just moments ago. I am posting this to our Announcement list because this is a huge issue for many and also.

Beginning March 2nd, 2020 the Mailing Lists functionality on RootsWeb will be discontinued. Users will no longer be able to send outgoing emails or accept incoming emails. Additionally, administration tools will no longer be available to list administrators and mailing lists will be put into an archival state.

Administrators may save the emails in their list prior to March 2nd. After that, mailing list archives will remain available and searchable on RootsWeb.

As an alternative to RootsWeb Mailing Lists, Ancestry message boards are a great option to network with others in the genealogy community. Message boards are available for free with an Ancestry registered account. Thank you for being part of the RootsWeb family and contributing to this community.

Sincerely,

The RootsWeb team

Call for Election Committee Volunteers

20 January 2020

Forwarded on behalf of Gayle Triller, Election Committee Chair:

The Election Committee is looking for volunteers. Those of you who have served on the EC in the past, the job has become easier and doesn't take as much time as in the past. We now have an email for that which SCs can use to submit their changes directly to the data set manager. We also have a new data set which allows the SC to make the changes themselves as well as the members being able to make changes to their own records.

So if you are interested in helping The USGenWeb Project by being a member of the Election Committee, please email me at gay...@comcast.net

Gayle Triller
EC Chair
