

Step 4 - Password

Your current password is ABCDEF123XYZ.

You may change it by making an entry below.

If you don't want a password or you are happy with your password, click the **Password OK** button.

- The password you will receive is ***not*** the same as a voting password.
- Voting passwords are sent separately during election. You must set your spam filter to accept Registrar@usgwelections.org

Passwords must be at least 6 characters long and no more than 20 characters long. Number and letters **ONLY** may be used.

You can also click the "Automatic" button and a password will be generated for you.

New password
