The USGenWeb Election Committee respectfully submits the following Quarterly Report to the USGenWeb Advisory Board, for the period 1 January - 31 March, 2006.

On 31 December 2005, Election Committee members with expired terms were unsubbed from the Elections list. Lori Thornton, as new Chair, took her seat.

January, 2006:

Requests for 1st quarter updates were sent to all State Coordinators or their designated assistant for changes to the membership rolls of the respective states. Follow-up requests were sent 2 weeks later to any who had not responded.

February, 2006:

The Election Committee conducted an election for State Coordinator of the NDGenWeb. On February 23, Michelle Savre was declared the new State Coordinator.

March 2006:

Preparations were made to conduct the OKGenWeb State Coordinator election.

Preparation began for a poll to be conducted by the Election Committee for County Coordinator Regional Representative of the Southwest/South Central Region to fill the vacancy created by the resignation of David Morgan and the Representative at Large vacancy created by the resignation of Mike St. Clair.

The Election Committee worked to collect valid e-mail addresses of members whose addresses had changed as reflected by bounces of the Newsletter mailing.

On March 28, 2006 the Election Committee issued a call for volunteers to replace Betsy Mills and Donna Allen who resigned after accepting nominations/or volunteering to stand for position of Southwest/South Central County Coordinator Representative and the resignation of Lori

While I deny the allegations made against me, I can say that I have thoroughly enjoyed the last year of not being part of the USGW political scene. may see fit to move that the status be lifted.

"I hope all is well with you.

"Richard"

**(April 23, 2006)** Ruling by the NC:

"After a review of the report that assigned Richard's NNIGS status (<http://archiver.rootsweb.ancestry.com/th/read/BOARD/2005-02/1108962837>) it was found there is only one condition associated with Richard's MNIGS status.

"The findings state: "...it is the finding of the hearing committee that Mr. Pettys shall be found MNIGS. After a period of one (1) year, Mr. Pettys may apply for removal of MNIGS status."

"Because Richard's request doesn't comply with the conditions of the findings as stated above, and with the concurrence of the AB members, I find that Richard's request is without merit."
